Gynaecology

ENTOG Scientific Meeting

Thursday, 8th March 2018, 09:15-12:45
Paris, France

Striving for the best: Setting the standards in Ob&Gyn

9.15-10.00h **Theoretical introduction**

- Welcome speech by ENTOG President,
EBCOG President/representative and LOC representative 5 min
- PACT - Jessica van der Aa 15 min + 5min
- French speaker 15 min + 5min

Three simultaneous workshops

10.00-10.45h	First round of workshops	45min
10.45-11.15h	Coffee break	30min
11.15-12.00h	Second round of workshops	45min
12.00-12.45h	Third round of workshops	45min

The topics of the workshops are:

1. **Negotiation skills in postgraduate training:** what are the items in training that you need to negotiate about with your supervisors and how can you effectively do this.
2. **Entrustment & independent practice:** explore the variations of independent practice amongst different trainees, its (im)possibilities and how we may deal with this in the European curriculum.
3. **Postpartum hemorrhage:** Handling with Bacri balloon.
