

The EBCOG Postgraduate Textbook of Obstetrics & Gynaecology

Volume 1: Obstetrics & Maternal-Fetal Medicine

Edited by Tahir Mahmood,
Charles Savona Ventura,
Ioannis Messinis,
Sambit Mukhopadhyay

Written primarily for postgraduate trainee obstetricians and gynaecologists preparing for the EBCOG Fellowship exam, Volume 1 of this multi-authored textbook covers the depth and breadth of obstetrics. With up-to-date international guidelines and colour figures throughout, it is also an authoritative reference book for practising clinicians.

Hardback 9781108495783
£79.99 | \$105.00
